VINEYARD DESCRIPTION

EnRoute was established in the Russian River Valley in 2007 by the partners of Napa Valley’s Far Niente winery. Devoted to producing Russian River Valley Pinot Noir, EnRoute introduced its first wine, “Les Pommiers,” in May 2009. Les Pommiers is named for the apple orchards that once flourished in the region, and reflects a blend of vineyards primarily from Green Valley and the upper Middle Reach area of the Russian River Valley AVA.

The name, EnRoute, is a nod to the journey we have taken on our way to producing Pinot Noir, which began in the 1980s in Burgundy. While Far Niente’s vision is exclusively focused on Napa Valley Chardonnay and Cabernet Sauvignon, we still enjoyed traveling and tasting the great Pinot Noirs of the world. Eventually, sister winery Nickel & Nickel’s single-vineyard program provided the opportunity to venture into the Russian River Valley. After a few years of producing wines from Russian River, we decided to make a serious commitment to the region, acquired two remarkable vineyards and established EnRoute, devoted to Russian River Valley Pinot Noir.
